siska - a woman's tale

Something wicked this way comes/Sweet thing don't you fear none/We're moving to the beat on time/
The beat of a new drum/Don't waste a dime on shoeshine/We're dancing barefoot this time

Leap of Faith/Jump for Joy

Something wicked this way comes/Sweet thing don't you fear none/Stormy weather-blood & fire/
Never ruffle no feather/Giant steps above the clouds/Beat the storm, sing outloud

On your skin/A symbol of what lies within/Cross your heart/Don't let it tear you apart
And you might remember/Where you're coming from/And you might remember/Where you're headed to

Leap of Faith/Jump for Joy

I gotta be a beautiful girl with a boogie body/A wonderful mother with a mystic baby

Play on, the feel-good music/Save your love for Love and keep your Life for living

What can I do, what can I change ?/This train drives me so crazy...
