## Lyrics

### Menina Mulher da Pele Preta

Essa menina mulher, da pele preta  
Dos olhos azuis, e sorriso branco  
Não está me deixando dormir sossegado  
Será que ela não sabe, que eu fico acordado  
Pensando nela, todo dia toda hora

Passando pela minha janela, todo dia toda hora  
Sabendo que eu fico a olhar, com malícia  
A sua pele preta, com malícia  
Seus olhos azuis, com malícia  
Seu sorriso branco, com malícia  
Seu corpo todo enfim, com malícia  
Com malícia...  
Será que quando, eu fico acordado  
Pensando nela, ela pensa um pouco em mim?  
Um pouco em mim, com malícia

### Feel the cold

Some of us will run away  
Some will stay  
Others will take the time  
Contemplating goodbyes  
They can hear the angel  
Singing many lullabies

I came here to feel the cold  
To live again,  
To remember  
And I care oh

Why should I feel  
Feel losing you  
When you gave me a light  
That I can hold on to  
Oh in the darkest places of my mind

I came here to feel the cold  
To live again, and to remember

I came here to feel the cold  
To live again, and to remember

I came more  
I feel listened  
The silence will make me grow  
Some of us will run away  
Some will stay

I came here to feel the cold  
To live again, and to remember  
Ah... should I feel losing you  
When you gave me a light,  
that I can hold on to...

### Canasta

J'ai perdu j'ai perdu  
Ta tête  
J'ai perdu ton point d'vue, en fait

Heeee

Posé sur ma ble-ta dans une  
bataille de Canasta  
Elle a dansé sur mon bankroll  
elle a recall sur ma rizzla

Calling station  
Stop au semi-bluff  
Tempête sous un crâne  
Alors biche push or fold  
Mais joues ton rôle

No limit nose bleed  
Bad beat when I have no weed  
All i do is double up  
Bubble in my double cup

### Fly High

Come and heal my soul again  
I wanna find your sky  
Come and see that time has changed  
Everything is quite now

Cause in this life  
I've been living  
Yes i am Trying so so hard  
To keep my dreams  
And my feelings  
Away from the dark

Hands up to the sky  
I wanna fly

For those who claim  
That my love is in vain  
That I should slow down  
And keep my feet on  
the ground

You know I will feed you  
you know I will feel you  
And I will free you from  
that place  
Take you high

Hands up to the sky  
I wanna fly  
I wanna fly

### Barcelona

I've been here before  
Cruisin' down the street  
Smoking on the loud  
Roll 'em

Purple tanenbaum  
Rollin' up and say  
Sweeten down the leaves  
Better call 'em  
Tengo Fe  
Tengo fe  
Hay que tener...  
Tengo fe

### Tengo fe

Se que te fuiste  
Se que te vas  
Que no damos más

Yo sé que fuiste  
Tengo fe  
Pero tengo fe

### Atras Desse Ceù

Me cerco do Sol  
Mas olha que pena se foi  
Atrás desse céu  
Que dure mais forte que foi

Foge do sopra  
Que o vento é o que guarda  
O melhor desses anos perdidos  
Sinceros sinais, jogados pro ar  
E nada que nunca esqueci  
Sorte me encontra que eu já te perdi  
Faz tempo  
Quero sossego que tanto pedi  
Um tempo

**C**hances, circumstances, desire and good will are always needed for opportunities to come true. Then you just throw yourself in. This project did not fall from the sky, well not entirely. Blundetto has been on the Club's playlist in high rotation for years, and when I ran into an old friend of mine who had worked with him, it only took one evening to get the project started. In our club, music plays such an important part that it is part of our own identity. With the fragrance of our flowers, the music welcomes you as soon as you cross the entrance, you instinctively know you will have a good time. We dreamed of the perfect soundtrack for the club and we gave it life and shape, simply a natural process... We would like to thank La Crème Gracia members, our partners, our team, Jérôme and Blundetto for this opportunity... to get the club out of the club.
