Bring me back the day

I know the rivers are  
 The only way to get out  
 Of the darkness  
 However the moon is on the way  
 It's kind of cold in my brain  
 In my room  
 I know the river's gone  
 O ! wither alone  
 Alone  
 O lord  
 Please lord  
 My lord  
 Won't you bring me back the day

O Estrangeiro  
 (Berlea Bilem's dream words)  
 Bika makeketti mammo ma mu ntima aku  
 soba ndiatulu  
 ah ngue louvouandou nuni na nuni ka zozza bikabika du dwa  
 Ka toyo ka Mana zozza bikabika du dwa  
 It could be the Dolphin and the Wolf fight  
 Shame on me Shame on you we disappeared  
 In the green and blue light of space and time

Back to the moon

So high the sky is high  
 And we're stuck here in a lullaby  
 Lullaby take me to the stars  
 So blue my heart's so blue  
 But it fits well with the sky  
 I should fly and thank you lullaby  
 Lullaby take me to the stars  
 I'll never let you down

I gotta dream

I gotta dream  
 I gotta dream into my dream  
 I gotta dream into my dream  
 Oh yeah

Bring me back the day

I know the rivers are  
 The only way to get out  
 Of the darkness  
 However the moon is on the way  
 It's kind of cold in my brain  
 In my room  
 I know the river's gone  
 O ! wither alone  
 Alone  
 O lord  
 Please lord  
 My lord  
 Won't you bring me back the day

O Estrangeiro  
 (Berlea Bilem's dream words)  
 Bika makeketti mammo ma mu ntima aku
