Lyrics:

What we're trying to do with this song, Children of the Ghetto, is to reach out to all the children who may be growing up in those areas where opportunities are more difficult to come by. And we would just like to say that...

No matter who you are
No matter where you come from
You can do anything that you want to do
Anything that you want to do

And all you have to do is just do what the real thing are trying to say to you tonight
Keep your head to God
Keep your head to the sky

And to all you people who have a dream
If you have a dream
Dream on
Dream on

Dream on

Children of the ghetto
Keep your head To the sky
Look up, to the sky

Dream on
Dream on

Lyrics:

The things I say and do may not come clear through
My words may not convey just what I'm feelin'
But I, I hope you'll recognize what's right before your eyes
Oh, your heart should realize from where I'm dealin'

Baby, I'm tryin' to show you that I love you
Baby, I'm tryin' to show you that I care
Baby, I'm tryin' to tell you that I, I need you
Baby, I'm tryin' to tell you that I care

You may not understand just why I show my hand
The method to my madness you inspire
Perception is the key, it's evident, you see
What this is all about is love entire

Baby, I'm tryin' to show you that I love you
Baby, I'm tryin' to show you that I care
Baby, I'm tryin' to tell you that I, I need you
Baby, I'm tryin' to tell you that I care

And all I know is true
Is this love I have for you
All I know is true is
Baby, I'm tryin' to show you that I love you
Baby, I'm tryin' to show you that I care
Baby, I'm tryin' to tell you that I, I need you
Baby, I'm tryin' to tell you that I care

And all I know is true
Is this love I have for you
All I know is true
Is this love I have for you
All I know is true is
this love I have for you
All I know is true is

Baby, I'm tryin' to show you that I love you (baby, baby)
Baby, I'm tryin' to show you that I care (baby, baby)
Oh, baby, baby, ooh (baby, baby)
Baby, baby, oh, oh-oh (baby, baby)
Baby, every time we, oh, baby (baby, baby)
I'm tryin' to show you (baby, baby)
I'm tryin' to show you, oh, oh-oh (baby, baby)
Oh, baby, baby, ooh (baby, baby)
Oh, baby, baby, ooh (baby, baby)

Lyrics:

Children dying without cause
Running, hiding, no one to care
A million sorrows and endless pain
Reaching out for a helping hand

And the voices from heaven say...

Lost children running against the wind
They're lost children running to be free again

Look around you, what do you see
Children today wasting away
The rich the poor, the good and the bad
Afraid and abandoned cast adrift

And the voices from heaven say...

Lost children running against the wind
They're lost children running to be free again

Alone and abused, missused and confused
Hopeless homeless no place to go
Stripped of all pride and dignity
Outstretched hands pleading for mercy

Lost children running against the wind
They're lost children running to be free again

We can't help but to hear their plea
Give me a hand please stand by me
Give me the strength to face each day
Reach out and help me make my way

And the voices from heaven say...

Lost children running against the wind
They're lost children running to be free again

Lost children running against the wind
They're lost children running to be free again

Lost children running against the wind
They're lost children running to be free again

Lyrics: Translated from French

Guadeloupe, island of my loves
Guadeloupe, île de mes amours

I left, I left a paradise
Je suis parti, j'ai laissé un paradis

Guadeloupe, my country
La Guadeloupe, mon pays

Living in France and living in Paris
Vivre en France et habiter Paris

City of hell where winter rages
Ville d'enfer où l'hiver sévit

City of iron where everything is gray
Ville de fer où tout est gris
I often dream
Il m'arrive souvent de rêver

To everything there I left
À tout ce que là-bas, j'ai laissé

Guadeloupe, where are your fields
Guadeloupe, où donc sont tes champs

Guadeloupe, where is your folklore
Guadeloupe, où donc est ton folklore

Your Gwo Ka in the roses
Ton Gwo Ka dans les roses
Where is your culture, Guadeloupe
Où donc est ta culture, Guadeloupe

Where is your creole, your customs, your children
Où donc est ton créole, tes coutumes, tes enfants

Guadeloupe, where is La Soufrière
Guadeloupe, où donc est La Soufrière

Guadeloupe, where are your cane fields
Guadeloupe, où donc sont tes champs de cannes

Your banana trees, your coconut trees
Tes bananiers, tes cocotiers
Where are your beaches and your shores
Où sont donc tes plages et tes rivages

Guadeloupe, where are you
Guadeloupe, où donc es-tu

You, you, of whom I keep dreaming
Toi, toi, à qui je ne cesse de rêver

You that I can't forget
Toi que je ne peux oublier

How could I ever forgive myself
Comment pourrais-je un jour me pardonner

To have abandoned you like this
De t'avoir ainsi abandonné

Tomorrow, the plane I will take
Dès demain, l'avion je prendrai

At Raizet I will arrive
Au Raizet j'arriverai
The crying face
Le visage en pleurs

The woods filled with flowers
Les bois remplis de fleurs

Never again, oh never
Pour ne plus, ô jamais

To never separate us
Pour ne plus nous séparer

Lyrics: Translated from Russian.

I see the sky Sunrise starts.
Time does not stop, I stop.
An invisible wall opens
And people exist hurrying
The sky disappears
Night came
People need to sleep
But time does not stop I stop
The given to us time
Clearly goes ahead
The given to us world
Lives, does not wait (for)

Lyrics:

Form a better understanding
So you save up all you can remember
In the moment of truth, every time a good species does suffer
You'll never make restitution
I try, I waited so long
You could think of a song, we'll find the time

Now you are
Feel you are
Here you are
Who you are

You've gotta get up
Find out

Form a better understanding
So you save up, oh a bitter win
Face the day without shame

Or pray to god it will always the same

Now you are
Feel you are
Here you are
Who you are

You've gotta get up
Find out

Find out

Now you are
Feel you are
Here you are
Who you are

You're gonna feel it
Find out
