Lyrics:

Who could she be
this fantasy
Into the beat she glides
Who is that girl
She looks so free
On roller skates she glides

Could I be
Could I be
Could I be
Could I be

It's all up to me
What's left for you
It's all up to me
Got things to do
It's all up to me
What's left for you

It's all up to me
Got things to do

Is she for real
or make believe
Into the beat she glides
Who is that girl
She looks so free
On roller skates she glides

It's all up to me
What's left for you
It's all up to me
Got things to do
It's all up to me
What's left for you
It's all up to me
Got things to do

On roller skates
She glides
On roller skates

Lyrics:

I just wanna
See the past
Can't help that
I'm moving fast
Can't help but
think of you
And all the
things you
Put me through

Telling friends
What was the end
Start again
Now let's ascend
Can't help but
think of you
And all the
things you
Put me through

I just wanna
See the path
Driving slow
Cause I'm moving fast
Can't help but
think of you
And all the
things you
Put me through

Living life
Like it's the end
Living well's
The best revenge
Can't help but
think of you
And all the
things you
Put me through

NEVER BELIEVE
THAT I'M
LESS THAN YOU

NEVER BELIEVE
THAT I'M
LESS THAN YOU

NEVER BELIEVE
THAT I'M
LESS THAN YOU

NEVER BELIEVE
THAT I'M
LESS THAN YOU

NEVER BELIEVE
THAT I'M
LESS THAN YOU

NEVER BELIEVE
THAT I'M
LESS THAN YOU

NEVER BELIEVE
THAT I'M
LESS THAN YOU

NEVER BELIEVE
THAT I'M
LESS THAN YOU

Lyrics:

When I was away
Been away lost some time
Didn't have no one
Couldn't do the sign
And I went so far
Further than before
Then I went so far
Then I went some more

Everything be ok
Everything right as rain
Everything be ok
Everyone gone again

Well my heart's for sure
And My heart's so tough
My heart's raw and
I think that's enough

When I was away
Been away lost some time
Didn't have no one
Couldn't do the sign
And I went so far
Further than before
Then I went so far
Then I went some more

Everything be ok
Everything right as rain
Everything be ok
Everyone gone again

Well my heart's for sure
And My heart's so tough
And My heart's raw
And I think that's enough

Everything be ok
Everything right as rain
Everything be ok

Everyone gone again

Well my heart's for sure
And My heart's so tough
And My heart's raw
And I think that's enough

Everything be ok
Everyone what's the word
Everything be ok
Everyone touch the verb

Well my heart's for sure
And My heart's so tough
My heart's raw and
I think that's enough

Everything be ok
Everyone what's the word
Everything be ok
Everyone touch the verb

When I was away
Been away lost some time
Didn't have no one
Couldn't do the sign
And I went so far
Further than before

When I was away
Been away lost some time
Didn't have no one
Couldn't do the sign
And I went so far
Further than before
Then I went so far
Then I went some more

Everything be ok
Everyone what's the way
Everything be ok
Everyone holiday

Well my heart's for sure
And My heart's so tough

And My heart's raw
And I think that's enough

Everything be ok
Everyone what's the way
Everything be ok
Everyone holiday

When I was away
Been away lost some time
