*In 2004, John Zorn wrote over 300 new tunes for his popular Masada project, and he now initiates a new series of recordings featuring the best players out of the burgeoning Masada family in dynamic units performing compositions from Masada Book Two—The Book of Angels.*

MASADA BOOK TWO

*the Book of Angels*

**Flauros**

After 12 years and 28 cds, the *Book of Angels* project is drawing towards completion! For one of the last installments, Zorn turns to

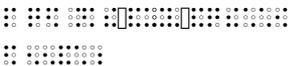

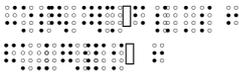

AutorYno, a wild power trio of three Paris punk rockers and one of the most powerful bands in the French rock scene.

Their third CD for Tzadik presents tunes from the classic *Book of Angels* in a heavy rock context. Metal, Punk, Thrash, Dub and Surf come together in this trance-inducing sledgehammer reading of some of the strongest and strangest pieces out of the Masada repertoire. One of the last releases in the *Angels* series is also one of the most powerful!
