Track#08: Woshoush El Leil (Faces of the Night)

A poem by Mido Zohair

Translated by Weaam El Tamami

I woke up
the morning after
to find
the late night
had stolen my face

I cried out to my friends:
help
bring back my face
from the long night

they rushed over
to the usual place,
searched high and low
but in vain

came back
with their condolences:
those faces of the night,
they pass away
